PATENTS ACT 1977

CONDITIONAL PERMIT FOR FILING A PATENT APPLICATION
OUTSIDE THE UNITED KINGDOM

Application No. 9009871

Filed 2 May 1990

On 16 May 1990 directions were given under Section 22(1) prohibiting publication of information contained in the above-numbered application for defence reasons. These directions are still in force, but the applicant(s) is/are hereby authorised to apply in UNITED STATES OF AMERICA for grant of a patent in respect of matter contained in the application, subject to the conditions set forth below:—

- (1) The application has been classified by a defence authority of the United Kingdom as RESTRICTED and the receiving Government shall be requested to place the corresponding application in secrecy and accord it at least the equivalent security classification.
- (2) The corresponding application shall be abandoned if this action becomes necessary to ensure secrecy.
- (3) All correspondence relating to the corresponding application shall be transmitted solely through officially recognised adequately secure communication channels. All persons in the receiving country required to deal with the patent application there shall have been authorized to have access to such security classified information and be able to provide adequate physical security.
- (4) The applicant(s) shall make available to the receiving Government for defence purposes a copy of the application filed in that country.

This permit applies only to matter disclosed in the United Kingdom application, and it does not authorise the making of an application under the European Patent Convention or the Patent Cooperation Treaty.
